INSIGHT-LED CUSTOMER EVENTS

Throughout the year we'll also host additional insight-led events for our customers, across all businesses and depots.

These are often small group events, hosted for 30 customers or less, prioritising hands-on sector specific support from our in-house experts.

Our buying team will be in touch with potential opportunities for our suppliers to attend or support these events.

& TO TOP IT ALL OFF...

Look out for information on our Supplier Event that we host for all our fantastic suppliers!

With fantastic food, sporting activities and a chance for us to give back to you for all your support throughout the year, this is not one to miss out on.

Your buyer will be in touch when the details for 2026 are announced!
