HOW TO DEFROST

STEP 1

Remove quantity required:

Take the required quantity of packs from the box.

Keep the remaining packs in the box and return immediately to the freezer.

**MINIMUM
2HRS**

**DEFROST
AT ROOM
TEMP**

STEP 2

How to defrost correctly:

Leave the product in its packaging. Do not open, as the products are sold in this format and must not be opened/handled.

Allow the product to defrost for a minimum 2 hours at room temperature (not in a fridge).

Do not defrost near an oven as this can lead to condensation and affect the product quality.

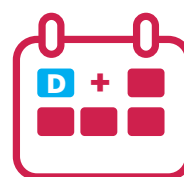

STEP 3

Shelf Life:

The day of defrost plus 4 days.

Apply the best before date to the pack.

Note these cookies have a longer life than the bake-off cookies.
