Added Value

Comprehensive Product Range
From well known national brands and 'value for money' own brand offerings from The Country Range Group, to our unique regional fine foods range championing small scale producers from Plough to Plate.

Placing Orders When It Suits You
Choose from either a regular telesales call, ordering online from our website or the convenience of a handy app on your phone or tablet.

Online Account
Place orders online and view order history, shopping lists, invoices and credit notes at the touch of a button. Our website also displays all the latest promotions and offers available to you with live stock information.

Quality Fresh Produce
From the very best in local seasonal produce, to imported exotic lines that add that point of difference. We make the most of the local farms around the whole of the South West, bringing you the freshest produce.

Dietary & Allergen Information
We are able to provide detailed reports with all the ingredients, allergens and dietary calculations for the products you buy from Erudus, our foodservice specialist partner company.

Development Chef Support
A dedicated and knowledgable resident chef that can support you with queries on recipes, menu cycles, allergen and dietary information, new product development, cookery demonstrations and much more. We also offer specialist managers available to care and education sectors.

Why choose WestCountry

South West Coverage

Three depots covering the whole of the South West ensuring excellent service.

Regular Deliveries

Daily delivery in many areas with twice a day in major towns and conurbations.

Account Management

A dedicated account manager who will help you develop and grow your business.

Insight Led New Products

We use the latest insights to help tailor our ranges and bring you the latest trends in foodservice.

Local Farms and Suppliers

We pride ourselves on the local grower and producer relationships that we have nurtured over the years to bring you the very best in seasonal produce and artisanal products.

Community and Environment

Our local contributions help to promote a sustainable circular economy that protects future prosperity of our region.

Sustainable

Our Commitment

We are committed to operating a highly efficient and sustainable business and logistics operation, one where we strive to minimise our impacts on the environment and contribute positively to the communities that we operate and live in.

Efficient Networks

We deliver and collect on the same planned daily routes. Our highly efficient and sustainable network connects over 100 local seasonal growers and over 60 regional artisan producers with over 4000 caterers and retailers right across the South West.

Green Operation

We promote the removal of non-essential packaging and actively encourage the use of biodegradable materials within our supply chain. We diligently encourage, re-use and recycle boxes and crates through our supply chain and daily pick-pack operations.
